

**Another Wish Upon a Star Completed at Ridgewood!** Mabel Kubes loves her cockatiel Smokie, but since moving to Ridgewood, her daughter Georgette is taken care of Smokie. Due to Smokie's personality, Mable did not want Smokie to be scared so she never wanted Smokie to come visit her at Ridgewood. It has been over a year since Mabel saw Smokie; although, Mabel has talked to Smokie over the phone several times. Ridgewood was able to plan a lunch date for Mabel and Georgette at Georgette's place so Mabel could visit Smokie.
